1st May 2024

Dear Year 7 and 8 Parents and Carers

Key Stage 3 Computer Science – Cyber Explorers

As part of our Key Stage 3 Computer Science course we will, later in the summer term, be introducing pupils to the topic of cyber security.

This will be done through a government website called Cyber Explorers [Cyber Explorers - About Us](#) which is run by the Department of Science, Innovation and Technology (DSIT), the department helping to drive growth and enrich lives.

In order to register your child, in addition to our own school Private Notices, we need to make you aware of the Cyber Explorers' Parent and Guardian, and Child Privacy Notices which explain how personal data is used and stored:

<https://www.cyberexplorers.co.uk/privacy-notices/parent-or-guardian-and-child>

<https://www.cyberexplorers.co.uk/privacy-notices/child>

Should you **NOT** be happy for your child to take part in these lessons, please e-mail the school office using the subject heading 'CYBER EXPLORERS' by **Thursday 9th May 2024**.

If you require any further information about this please do feel free to contact me:

RBarnes@beaminster.dorset.sch.uk

Yours sincerely,

Mr Barnes
Deputy Head
