Dear Parents and Carers

Instrument Tuition at Beaminster School 2024-25

There are many opportunities for music making at Beaminster School which includes learning an instrument outside of the classroom with a team of highly trained and experienced teachers, who deliver a programme of lessons covering a wide range of instruments.

These peripatetic music staff work on a private basis, with lessons taking place here in school. The lessons are organised, where possible, on a rotating timetable when the teacher is in school so that, wherever possible, students do not miss the same curriculum lessons each week. There is an expectation that all work missed will be completed as homework.

Fees are set by the teachers but, in all cases, the staff have made concessions for us and the amount you pay will be fair and in line with current practice across the area.
