June 2024

Dear Year 10 Parents and Carers

Reminder - Post 16 Awareness Days for Year 10

We are writing to remind you about the **two different Post 16 awareness events** taking place on **Tuesday 2nd July**. Students should now know which of the two events they will be participating in. We will be briefing student's tomorrow morning

A Level Awareness Day

This will take place across both the Colfox and Beaminster sites. Students will try real A Level lessons and have the opportunity to speak to A Level teachers, and will be given information about university, apprenticeships and the world of work. We hope that the day will provide them with a clearer picture of what to expect from the Sixth Form and Higher Education in general. This event is suitable for any student who is considering taking an A Level programme of study (or the BTECs in Sport or Food) after GCSEs. It is ideally suited to those students thinking about university after Sixth Form.

Students attending the A Level Awareness day should register as normal in the morning.
School uniform is not required.

We will visit the Sir John Colfox Academy site in the morning, returning to Beaminster for the afternoon session. Travel between our two sites will be by link bus and minibus.

We will be providing lunch in the Beaminster School Canteen.

Yeovil College Open Day

Students have now been allocated workshops if they are taking part in this day.

Yeovil students will leave by bus at 8.45am from Beaminster School, returning before 3.30pm.
School uniform is not required.

Students should bring either a packed lunch or money for food from the canteen at Yeovil. (Students eligible for Free School Meals will be provided with a packed lunch).

All students should bring a water bottle.

We hope the day will be both informative and stimulating, helping all students start to think about their options post-GCSE.

Finally, a reminder that we are hosting a **Post 16 Information Evening** at Beaminster School on **Tuesday 2nd July from 6–7pm** to explain more about post 16 options and introduce details about the Joint Sixth Form which you are welcome to attend.

If you have any questions, as always, please contact your child's Tutor in the first instance.

Yours faithfully

Mrs Sarah Walters
Director of Learning and Achievement (Key Stage 5)
