

The Sixth Form

March 2025

Dear Year 12 Students, Parents and Carers,

Year 12 Mock Exams

The Year 12 mock exams take place next week, between **Monday 24th March and Thursday 27th March 2025**.

Students have already been briefed about the week and have received an individualised timetable. The main aim of these mock exams is to provide students with realistic experience under exam conditions, helping them to identify strengths and weaknesses and build their confidence.

Most exams will take place in the Main Hall. Students will be sitting exams at their home site (except subjects requiring specialist facilities: Art, Photography and Music Technology). Students have been briefed by subject staff about what to expect in their exams, including content to revise, skills required, length of exam and question style.
